**Olympia Hotel
at Capitol Lake**

IN-PERSON & DIGITAL SPONSORSHIPS

ABOUT THE WASBA 2023 PACIFIC NORTHWEST BEEKEEPING CONFERENCE

Gather all your beekeeping friends and join us on the west side of the mountains this fall to share our love of honeybees and learn from an impressive speaker lineup during the 2023 WASBA Beekeeping Conference at the Olympia Hotel at Capitol Lake!

We will have two speaker tracks again, Hobbyist and Science, with 20+ Speakers from all over the country! Surprise celebrity Keynote Speaker to be announced... Be sure to join us for our Saturday Evening Banquet to chat with all the speakers, participate in our Dessert and Live Auctions, Raffles, see who wins Beekeeper of the Year and chat bees into the night! The Conference will close with the WASBA Annual Board Meeting on Sunday afternoon.

Surprise Celebrity Keynote Speaker TBA | 20+ Speaker Presentations on Science & Hobbyist Tracks
Network with 400-500 attendees | Raffles for Present & Non-Present Winners
Catered Refreshment Breaks | Saturday Evening Banquet | Dessert Auction & Live Auction
Access to all Speaker Recordings post-conference | Profits to Washington Honey Bee Research

Tickets Sold on EventBrite.com | Early Bird: \$125 | Regular Price: \$150

ABOUT WASBA

Washington State Beekeepers Association (WASBA) promotes beekeeping around the state – networking with local clubs, partnering with 4-H, Hives to Heroes, Community Colleges and even the Department of Corrections in both Washington and Oregon.

In 2019 WASBA re-started its annual conference, drawing over 300 people to Eastern Washington on a cold, snowy February. In 2020 we quickly adapted to the COVID-19 restrictions and hosted a virtual conference with over 200 attendees from the US and Canada! The 2021 conference was rescheduled and on October 1-2, 2022 WASBA hosted a successful “JamborBEE” Conference with in-person and virtual attendees at the WSU Honey Bee & Pollinator Research facility in Othello, Washington!

Washington State has one of the nation’s most favorable beekeeping laws which came about due to WASBA and its member’s advocacy. This law provides zero liability to beekeepers provided they are registered with the state, follow their area’s local laws, as well as local beekeeping best practices.
